2-seater with armrest left - corner + 1-seater with end element right

2-seater with 2 armrests

Checklist

So you won't forget any of our choices...

Please use this checklist in order to discuss all options with your customer.

An absolute must

The following options must be considered for this model (please always mention with your order):

Feet

Seat height

Functions

Have you explained to your customer the advantages of the following functions?

Back inclination

Swivel seat

foldable armrest

Accessories

Have you informed your customers about the selection of our accessories?

Stool

Stool bench

Headrest

Cushion

USB charging port

Shelf

Product and ordering information

Frame:	Load-bearing parts of the frame made of solid wood and wood materials, surfaces lined with padded cover.
Seat:	Spring system with permanently elastic steel sinuous springs and an upper-side cover. Seat made of HR / cold foam (at least RG 35), Seat covered with cotton wadding. (for illustration see "cross sections and ordering information")
Upholstery:	Soft, loose upholstery where the covers exhibit a pronounced wave pattern and seat imprints purposefully based on the design and structure. The upholsterey will adjust to the shape of the body and the seat firmness will give a little bit. Minor differences in seat firmness with add-on units are design-based and are therefore not a cause for complaint.
Back:	Fixed back made of ergonomically shaped PUR foam (min. 25 RG), covered with a ticking (filled with high quality filling material that contains an admixture of feathers). Cover made of cotton wadding
Chamber cushions:	This model is equipped with high-quality chamber cushions. The filling material is kept inside the cushions in chambers to prevent it from shifting. Depending on the type and thickness of the cover material, both the chambers and the filling material can sometimes stand out more or less.
Decorative fabric:	The decorative fabric (decorative fabric PG 6 / decorative fabric PG 10) is only available for cushions and pattern matching is not possible. The prices can be found on PG 6 or PG 10.
Dimensions:	Height: 82-87 or 84-89 cm Depth: 93 cm Depth with back inclination: 93-109 cm Depth with swivel seat function: 93-141 respectively 93-151 cm Seat height: 44 or 46 cm Seat depth: 60-66 cm

Structure, ordering information and cross coupe

Miscellaneous: All materials used meet the requirements of the DGM according to RAL GZ 430. The appearance of the stitching may vary depending on the fabric, leather and artificial leather used.

The definition of quilted mats and cushions depend on the design and structure. The appearance of decorative, fell and double seams may vary depending on the fabric, leather and artificial leather used.

All values stated in the price list are approximate measurements in centimetres, determined by the usual measuring method (see RAL-GZ 430) and in unused new condition. Please note that in the course of use of very casual upholstered furniture, particularly the seat height and seat depth, there may be noticeable deviations from the dimensions given here. We reserve the right to make changes in form, colour and construction in the course of technical progress.

Seat: HR / cold foam / Back: foam

Seat

- 1. frame
- 2. zigzag springs
- 3. zigzag spring cover
- 4. HR/cold foam (fixed seat)
- 5. cotton wadding cover
- 6. cover material

Back

- 1. frame
- 2. Foam + ticking (fixed back)
- 3. cotton wadding cover
- 4. cover material

Foot selection

Notes Feet:

Foot height: 286 / 326:

18 cm (SH 44 cm) or 20 cm (SH 46 cm) Attention! We charge a surcharge for the oiled oak metal base.

Sword runner	Sword runner
chrome matt	black matt
against	against
surcharge!	surcharge!
	chrome matt against

Notes Feet:

Foot height:	18 cm (SH 44 cm) or 20 cm (SH 46 cm)
Sword runner:	In combination with the sword runner, the base 283/323 glossy chrome, 300/325 matt
	chrome or 284/324 matt black is used for the elements corner+1-seater with end section and
	pointed corner!
	Stool and stool bench are not possible with sword runner.
Centreboard runner no.	.:chrome gloss 1081 and 1075 (SH 44) // 1084 and 1077 (SH 46)
(element-dependent)	matt chrome 1082 and 1078 (SH 44) // 1085 and 1079 (SH 46)
	black matt 1080 and 1074 (SH 44) // 1083 and 1076 (SH 46)

Functions

Back inclination:	The backrests can be adjusted so that everyone can easily find the optimum sitting position for their body shape and body height. To activate the backrest inclination, the sofa must be placed 17 cm away from the wall (with multifunction headrest 31 cm, with headrest 26 cm).
Swivel seat:	With the swivel seat function, the seat can be turned by 90° to create an ideal surface for stretching out comfortably. With 2 swivel seats next to each other, a comfortable reclining surface is created by swivelling in on both sides.
Shelf metal black matt:	Shelf approx. 61x37 cm for corner+1-seater with end element left or right with swivel seat function, is permanently installed in the element - available at a surcharge. The shelf cannot be retrofitted later
USB Docking station:	USB A and C charging port - available at a surcharge Elements with 2 armrests are also always provided with 2 USB connections.

Goldenes M & Emissionslabel

Are you demanding? That's fine - we are too!

Therefore, we attach great importance to durability, material quality, longevity, safety and health tolerance!

Because our furniture meets the high standards of the Gütegemeinschaft Möbel e.V., our entire product range is awarded the quality mark "Golden M" and the highest possible emission class A.

Quality mark "Goldenes M"

Nearly 50 years of research, laboratory tests, field tests, comparisons and scientific exchange is behind the RAL quality mark "Goldenes M".

- Tested quality according to quality and test regulations RAL-GZ 430
- Guaranteed safety through elaborate laboratory and functional tests
- Healthy living through strict limits for pollutants sometimes more stringent than the law requires, which were determined in independent test laboratories

The "Goldenes M" means for the furniture buyer: This is quality, you can rely on.

Emmission label

An expert group of the Deutsche Gütegemeinschaft Möbel e.V. has developed in collaboration with leading test institutes such as TÜV Rheinland, the LGA Nuremberg and the ECO Institute an Emission label for furniture.

- The label gives the consumer information about pollutant emission and should protect him from health protect impairments
- The entire range is classified according to these guidelines
- The proof of classifications is based on compliance of the awarding basis with appropriate pollutant tests from neutral testing institutes based on the requirements of RAL-GZ 430 or the Blue Angel's.

Our products meet the highest emission class "A", which gives us a clear conscience and you a maximum of safety with regards to the emission levels of your upholstery.

blue angel and longlife

Are you demanding? That's fine - we are too!

Especially in the leather area, a responsible approach to the environment and health is very important for us.. Our leathers have been awarded the "Blue Angel" because we specifically select upholstery leathers for our furniture that are harmless to health.

So that our customers can enjoy their leather furniture for a long time, we now offer the possibility to take out an additional 5-year service up to 4 weeks after purchasing the furniture.

Blue Angel - environmentally friendly upholstery leather

The Blue Angel for low-emission upholstery leather signals that the excellent leathers minimize the environmental and health burdens from production over the entire daily use to recycling and disposal. The following leather qualities are awarded with the Blue Angel:

Cento Dickleder Torero Life-Line

The Blue Angel is the world's most successful eco-label with a brand awareness of 92%!

5-Year-Longlife-Service

With the right cleaning and care products you keep the value of your upholstered furniture and enjoy it for a long time. As part of this 5-Year LONGLIFE-Service, you will receive professional phone support, free special products and free support.

The Service can be completed for the following leather qualities:

Cento Dickleder Torero Mercury

5-Year-LONGLIFE-Service provides security for a upholstery leather that is particularly durable and easy to care for!

For more information please see www.3c-care.de

OEKO-TEX® STANDARD 100 + klimaneutraler Hersteller

What is OEKO-TEX®?

Many of our fabrics and upholstery materials have been awarded the STANDARD 100 by OEKO-TEX® label. If a textile article has been awarded this label, you can be sure that this fabric or upholstery material has been tested for harmful substances and the article is therefore harmless to health.

You can find information on which of our upholstery fabrics are certified and other helpful information on our homepage at https://www.candy-polstermoebel.de/bezuege/stoffe/

(example label)

The award offers you the following advantages:

- STANDARD 100 by OEKO-TEX® is one of the world's most renowned labels for textiles tested for harmful substances.
- It stands for customer confidence and high product safety.
- The testing is carried out by independent OEKO-TEX® institutes on the basis of a comprehensive OEKO-TEX® criteria catalogue.
- The test procedure takes into account many substances, both regulated and non-regulated, that could be harmful to human health.
- In many cases, the limit values set for the STANDARD 100 go beyond national and international standards.

 \cdot The catalogue of criteria is updated at least once a year and expanded to include new scientific findings or legal requirements.

We are a climate-neutral furniture manufacturer (on balance sheet and through CO₂ certificates)

We can proudly say that we have been awarded as a climate-neutral manufacturer by the DGM. Our actions are always oriented towards the careful use of resources in order to protect and preserve the livelihoods of people, animals and plants. For 3C, sustainability is not just an advertising promise - the development of sustainable products is a matter of course for us.
